

## Behaviour Scout

We're looking for the right person to join the team at Future Proof Training Academy (FPTA). Is this you? Or maybe someone you know.

### **What we are looking for:**

- Passionate about dogs, and have extensive experience working with dogs within a daycare or shelter environment.
- Values our philosophy and systematic approach to the way we run our dog daycare and behavioural consulting.
- Committed to working as part of an amazing team and growing with us and the business.
- Will bring ideas to the table and isn't afraid to ask questions and learn new skills.

Future Proof is a one-of-a-kind behaviour and training facility with a dog daycare. We are focused on using the most up-to-date scientifically backed training methods and values while focusing on the canine's behavioural triad of emotional, cognitive and behaviour. We also offer our clients peace of mind with open and honest communication and understanding.

FPTA is a unique and supportive environment where we thrive on education by helping staff, clients and their dogs learn and grow to the best they can be. One goal is to set our *Staff, Clients* and *our fur clients* up for success. We pride ourselves on helping dogs learn social cues and appropriate social behaviours. We reinforce calm/relaxation behaviours by building habits with the use of positive reinforcement and negative punishment to achieve results that future-proof clients' dogs. We aim to create calm, confident and socially fulfilled dogs in our daycare as well as in society.

### **The right candidate will:**

- Minimum of 1-year experience professionally working with dogs (daycare, boarding, shelter)
- Solid understanding and ability to read canine behaviour
- Basic dog training skill set (desirable)
- Drive to learn and grow
- Positive, hard-working and enthusiastic drive
- Ability to work independently and confidently on certain tasks
- Grit and determination
- Willingness to get dirty, as well as participate in an extensive cleaning routine
- Team spirit
- Good sense of humour

### **About the Role:**

- Constantly monitor and maintain the safety of all dogs in your care
- Identify and predict behaviours and behavioural outcomes with off-leash play
- Safely move dogs through different social groups and create new social groups throughout the day
- Encourage positive responses and behaviour when supervising dogs in your care

- Provide basic foundation training to dogs in your care
- Provide enrichment and fun engagement for the dogs throughout the day
- Provide a high standard of cleanliness and hygiene to all areas of the daycare
- Work well with other staff
- Provide feedback and knowledgeable information to clients
- Exceptional customer service skills
- Proficient in social media pages and provide content and photo/videos

### ***The reward***

- Work at an company that is fun, exciting and willing to push innovative, with enthusiastic, and highly motivated staff
- We are passionate about driving the industry standard, live and breathe our values
- We support and educate our employees inside and out with training
- Make a meaningful contribution to clients and patients

### ***How to apply***

- Along with your CV, prepare a one-page cover letter telling us why you're a perfect fit for the role and FPTA;
- Submit your application
